

Uintah School District

Success for Every Student

Mission

- Uintah School District students will acquire the critical skills and attributes of a productive citizen.

Vision

- As a learning community, we advocate for all students, provide quality education, and prepare our students for success now and in the future.

District Goals

- Increase every student's learning
- Support the development of all employees' professional skills
- Ensure physical and emotional well-being
- Create a positive school and district culture
- Improve public support and confidence
- Ensure financial responsibility

Core Values

- Professionalism
- Accountability
- Unity
- Purpose
- Integrity

District Commitments

School is a place that is

- Absolutely safe
- Based on the Core Values
- Collaborative
- Driven by results
- Empowering
- Focused on learning
